

COMPACT SOLUTION FOR ELECTRIC WHEELCHAIRS & SMALL MOBILITY SCOOTERS

↑ **EZee Life®**

LIGHTWEIGHT • FOLDABLE • POWERFUL • EFFORTLESS TO USE

FREEDOM TO GO ANYWHERE

CH5065 PORTABLE LIFT

Experience the ultimate convenience with the CH5065 Portable Lift — the perfect travel companion for those who find lifting a mobility scooter or power chair into a vehicle challenging.

Its lightweight, foldable scissor design makes storage simple, while the powerful motor and one-touch operation make loading effortless. Compatible with most cars, SUVs, and vans, the CH5065 lets you travel freely without limits.

Enjoy greater independence, safety, and peace of mind — wherever life takes you. Say goodbye to heavy lifting and hello to easy mobility with the CH5065 Portable Lift. Experience effortless mobility with the CH5065 — the only 25 lb portable lift that raises up to 110 lb with a powerful 4000N motor. Perfect for loading electric wheelchairs or mobility scooters into your car, SUV, or van.

FEATURES
